Titus Haiduwa

HOD Computing department- UNAM
Email : thaiduwa@unam.na

CAREER OBJECTIVE

Motivated and detail-oriented Bachelor of Science student in Data Science at the University of Namibia. Passionate about data-driven solutions, statistical analysis, and machine learning. Seeking opportunities to apply academic knowledge, develop practical skills, and contribute to innovative projects in data science, technology, and research.

EDUCATION

1. **University of Namibia (UNAM)**   2025 - PRESENT YEAR

Bachelor of Science in Data Science

Relevant Courses:
- Programming in Python and Java
- Data Structures & Algorithms
- Database Management Systems (SQL, NoSQL)
- Statistics & Probability
- Machine Learning Fundamentals
- Data Visualization & Analytics

Expected Graduation: 2027

2. **Zealous Tutorial Center**

Grade 12 certificate
Year Completed: 2023

HOBBIES & INTERESTS

- **Coding Challenges**
- **Reading & Research**
- **Community Volunteering**
- **Sports & Fitness**
- **Creative Writing**
